

About Wichit

Wichit Pty Ltd develops and provides web-based software for the timely and accurate recording and management of registrations, results, parent help, point scores, and other metrics your Athletics club relies on.

Because **Club Manager** is hosted online, it's always available to your entire management team. Your registrar can update registrations while your recorder enters results — all at the same time. This can be done from home or at the club during competition.

Many clubs even provide devices to each age manager or event area so results can be entered as they happen. By the time competition finishes, all results are already recorded and published on the **Club Website**.

Visit our website: www.wichit.com.au

About Club Manager

Club Manager Explained

Club Manager is web-based software from **Wichit Pty Ltd** (wichit.com.au) designed for the **timely and accurate recording and management** of registrations, results, parent help, point score, and other key metrics used to run your **Little Athletics club**.

Because it's hosted online, **Club Manager is available anytime, anywhere**, for your entire management team. Your registrar can update registrations while your recorder enters results -simultaneously and from different locations. This can be done at home or right at the club during competition.

Many clubs now have devices for each age manager or event, allowing results to be entered **as they happen**. Once competition wraps up, **with the press of a button all results are published** and appear on your Club Website.

Designed For Volunteers

Club Manager has been designed for use by volunteers, not IT professionals. It's easy to use and intuitive with minimal training required!

Easy to use: Club Manager is built with parent helpers in mind. You don't need to be a computer expert—anyone can pick it up quickly. With just a moment's instruction, parent helpers can confidently key in results during club meets.

15+
Years Of
Experience

Trusted Since 2007

Our Club Manager product has been used by athletic clubs since 2007! Club Manager is used by clubs in NSW, VIC and New Zealand.

Keep Your Eye on Key Aspects of Recording and Storing Your Data

Club Manager provides a clear, comprehensive dashboard that highlights important housekeeping metrics at a glance, helping you keep your club's data accurate, complete, and up to date.

Registration Data

- Registrations missing a registration number
- Registrations with no age group
- Registrations with no gender
- Registrations assigned to the wrong age group
- Registrations with duplicate registration numbers

Results Data

- Result headers (date, event info) with no results attached
- Results with no places recorded
- Results that appear to be better than current club records

New club records

EVENT	CURRENT HOLDER	CURRENT RECORD	NEW HOLDER	NEW RECORD	ACTION
12G 1,500 Metre Run	Angie [REDACTED]	516.48 23 FEB 19	Jiselle [REDACTED] (3225)	512.56 on 01 Nov 2025	   
13B 1,500 Metre Run	Matthew [REDACTED]	436.2 14 NOV 20	Alexander [REDACTED] (3142)	433.17 on 01 Nov 2025	   
14G 1,500 Metre Run	Gabrielle [REDACTED]	504.88 02 NOV 24	Alice [REDACTED] (3657)	459.78 on 01 Nov 2025	   

Event Settings

- Events with no description
- Events missing an event code
- Duplicate event entries

Database Maintenance

Each club has its own separate database, backed up nightly and reindexed weekly for optimal performance and reliability.

- Database backups (for data protection)
- Database reindexing (for improved performance)
- Database shrinking (for performance and efficiency)

Activity Insights

- Registrations by age group
- Attendance by week for all age groups
- Attendance by age group on a specific date
- Attendance by date for a selected age group

Managing Registrations in Club Manager

Keeping Track of Registrations Is a Breeze

Start your season with confidence.

Registrations are the backbone of your club's data, and Club Manager makes getting them right simple and stress-free.

Smart, Simple Data Entry

Club Manager captures as much or as little registration information as your club needs.

- Fast, easy entry
- Clean and intuitive screens
- Built for busy volunteers

Family-Based Records

Registrations are grouped by family, so:

- Update a family once—linked registrations update automatically
- Reduce repetitive data entry
- Keep information consistent across the system

Reliable Registration Numbers

Club Manager manages unique registration numbers for you, preventing duplication and ensuring clean, accurate data.

One-Click Imports from GameDay

With a single click, Club Manager imports your registrations directly from GameDay - no file uploads, no downloads, no manual entry.

Accuracy You Can Trust

Whether you enter data manually or import it automatically, Club Manager keeps your registration information complete, consistent, and correct - every time.

The screenshot shows the Club Manager interface with a search bar at the top containing 'smith'. Below the search bar, there are tabs for 'Families (8)', 'Registrations (10)', 'FAQ (0)', and 'User Guides (0)'. A message states '8 families found for smith' with a 'New Family' button. The main table lists families with columns: FAMILY NAME, ADDRESS, CLUB, PARENT 1, PARENT 2, ATHLETES, and ACTIONS. The families listed are Smith (FamilyId 7849), Lopez-Smith (FamilyId 8157), and Smith (FamilyId 8630). Each family entry shows the names of the athletes and their status (e.g., Retired, Active).

FAMILY NAME	ADDRESS	CLUB	PARENT 1	PARENT 2	ATHLETES	ACTIONS
Smith FamilyId 7849					Patrick Owen Smith - UNDER 11 Boy - Retired	
Lopez-Smith FamilyId 8157					Archie Smith - UNDER 10 Boy - Active Hugo Smith - UNDER 6 Boy - Active	
Smith FamilyId 8630					Meg Smith - UNDER 14 Girl - Retired	

The screenshot shows the Club Manager interface with a search bar at the top containing 'smith'. Below the search bar, there are tabs for 'Families (8)', 'Registrations (10)', 'FAQ (0)', and 'User Guides (0)'. A message states '10 registrations found for smith' with a 'Hide retired' toggle. Below the message, there are filters for 'Age Group' (All age groups), 'Gender' (Boys and Girls), and 'Club' (All clubs). The main table lists registrations with columns: NAME, REG #, DOB, AGE GROUP, CLUB, STATUS, ATTENDANCE, and RESULTS / CLUB RECORDS. The registrations listed are Patrick Owen Smith, Archie Smith, Meg Smith, and Hugo Smith. Each registration entry shows the athlete's name, registration number, date of birth, age group, club, status (Retired or Active), attendance, and results.

NAME	REG #	DOB	AGE GROUP	CLUB	STATUS	ATTENDANCE	RESULTS / CLUB RECORDS
Patrick Owen Smith	153167	15 Jan 2014	UNDER 11 B	B	Retired		0 results recorded
Archie Smith	2975	31 Aug 2016	UNDER 10 B	B	Active	1 occasions	4 results recorded
Meg Smith	153258	27 Jun 2011	UNDER 14 G	B	Retired		0 results recorded
Hugo Smith	2976	25 Mar 2020	UNDER 6 B	B	Active	4 occasions	11 results recorded

The screenshot shows the 'EDIT REGISTRATION' form in the Club Manager interface. The form is divided into several sections: Personal Information, Contact Information, Address, Emergency Information, and Medical Information. The 'Personal Information' section includes fields for First name (Archie), Last name (Smith), Gender (Boy), Date of Birth (31 Aug 2016), and Status (Active registration). The 'Contact Information' section includes fields for Phone, Email (aileenlopez00@hotmail.com), and Proof of age sighted (checked). The 'Address' section includes fields for Address line 1 (11 Marion Street), Address line 2, Suburb (Haberfield), State, Post code (2045), and Club (BALMAIN LITTLE ATHLETICS). The 'Emergency Information' section includes fields for Contact name (Aileen Lopez), Contact number (0449879240), and Contact email (aileen.lopez@syd.cathol). The 'Medical Information' section includes fields for Medications, Allergies, and Disabilities, with checkboxes for Asthma, Epilepsy, Diabetes, and Behavioural. The form also includes a 'GameDay id' field (125321) and an 'Active registration' field (2975). A 'Save' button is at the bottom.

Result Recording Sheets in Club Manager

Including Athlete PBs, Centre Records & Season Bests

Recording results is a vital part of running any Little Athletics club - big or small. Club Manager makes it simple with **Event Sheets** that you can print, fill out, and then quickly enter.

Four Flexible Options

Club Manager provides multiple sheet formats to suit your club's needs:

1. Brief Event Sheets

- One sheet per age group and gender
- Events for the day displayed across the page
- Perfect for smaller clubs

2. Detailed Event Sheets

- One sheet per age group, gender, and event
- Page breaks for easy organization
- Ideal for larger clubs with many athletes

3 . Combined Sheets

- Combined versions of both brief and detailed sheets
- Include multiple age groups and genders on the same page
- Flexible for mixed or consolidated events

Performance Data Included

All Event Sheets display:

- Club records for each event
- Season best performances
- Individual season PBs for athletes

7 Boys Event Sheet program 2

Meet Date: Sat, 08 Nov 2025

Sorted by registration number

"It a 'Game Changer' in regards to how much it has lessened our workload..."

Rachael Keereweer Club Captain, Waitakere City Athletic Club (NZ)

Entering Results in Club Manager

Quick & Easy, Even in Real Time

Club Manager makes entering results **fast, accurate, and simple**, with minimal training required. The intuitive interface allows **parent helpers** or volunteers to record results easily, right on the field or in the amenities area during competition.

Flexible Options for Your Club

- **On-the-fly entry:** Age group managers can enter results for their group immediately.
- **Post-competition entry:** Recorders can enter results at home at their convenience.
- **Multiple devices:** Use laptops, tablets, or devices across events for real-time updates.

*"simple yet effective to use
requiring minimal
instruction to get you up
and running..."*

Wendy Mears Volunteer

Fast, Accurate, and Accessible

Entering results has never been easier. With Club Manager, all you need is the **registration number and result** from your event sheets. Results can be entered **live** (with internet access) or later using printed sheets from Club Manager.

Instant Context

The results entry page displays:

- Current **club record**
- **Season best performance**
- Any **achievement levels** specified for the event

"We implemented Club Manager after using a manual spreadsheet and paper system for many years..."

Lucy Finch Vice President, Woody Yalloak Athletics Club, VIC

Simple, Efficient Process

1. Select **age group**, **gender**, and **event**
 2. Enter the **registration number** → press Enter
 3. Enter the **result** → press Enter
- The result is saved immediately
 - A new result box appears—no mouse needed!

Built-in Integrity Checks

As each result is saved:

- Registration numbers are checked for **correct age group and gender** (invalid results are not saved)
- Results are checked for **new club records** and whether the performance is within **20% of the athlete's PB** (warnings are provided)
- Athlete's **PB** and **place** are displayed

Lightning-Fast Bulk Entry

Results can also be entered for a complete listing of athletes in an age group and gender:

- Enter a result, a **period (.)** to skip non-competing athletes, or **0** for DNFs
- Athletes are listed in the same order as the event sheets
- Press **Enter** to move to the next—fast, simple, and accurate

Clubs are run by volunteers with varying skills, experience, and limited time. Club Manager has been carefully designed to be intuitive, reliable, and virtually error-free, so you can focus on running your club rather than troubleshooting software. If issues do arise, help is always available:

- Online Support Form – submit queries quickly
- Email Support – detailed assistance from our team
- Phone Support – speak directly with an expert

With Club Manager, you have peace of mind knowing support is just a click or call away.

Point Score and Awards in Club Manager

Easy-to-Use and Transparent Point Score System

Club Manager provides a point score system designed to meet the needs of Little Athletics clubs. The system is straightforward, flexible, and easy to explain to parents and athletes. Points can be awarded for:

- **Attendance** when a result is recorded
- **PBs or equal PBs**
- **Placing** in an event — for heats, club-within-club, and overall results
- **Special points** such as championship attendance or club-specific awards

Each point category can be customised. For example, if you only award points for the top three places, simply leave places four to seven set to zero.

If you run a **handicap day**, Club Manager's point score system can also be used to determine the day's awards.

Points for Competing	1
Points for New PB	3
Points for Equal PB	2

POINTS FOR PLACE	WEEKLY POINTS	HANDICAP POINTS
1st Place	7	7
2nd Place	5	5
3rd Place	4	4
4th Place	3	3
5th Place	2	2
6th Place	0	0
7th Place	0	0
8th Place	0	0

A simple, consistent point score system removes the burden from event managers and age managers. It makes award decisions easy to support and explain to families. Point scores can also be calculated and analysed at any time during the season.

For clubs that prefer a more complex scoring model, results can be exported to **CSV** for advanced manipulation in Excel.

Point Score Reporting

A point score report can be generated:

- For **all or selected age groups and genders**
- For **all or selected event types**
- Showing **total points, attendance points, or placing points**
- Sorted by **Total Points, PB Points, Place, or Name**

Club Manager offers a point score system that will meet your needs. It is a straight-forward system whereby points can be set to be awarded:

- for attendance when a result is recorded
- for PB or equal PB
- for place in event - for heat, club within club, and overall
- for special points for championship attendance etc

Point Score Settings

Record places and Points for Visitors ☐

Points for Competing

Points for New PB

Points for Equal PB

Points for Place	Heat	Club	Event	Handicap
1st Place	0	0	7	7
2nd Place	0	0	5	5
3rd Place	0	0	4	4
4th Place	0	0	3	3
5th Place	0	0	2	2
6th Place	0	0	0	0
7th Place	0	0	0	0
8th Place	0	0	0	0

Points can be set for each aspect. If you only want to award points for the first three places you can simply leave place 4 to 7 as zero.

If you run a handicap day you can use the point score system to ascertain awards for the day.

Running a simple point score like this takes away the burden for the event manager and age managers. A simple point score makes it easy to support award decisions and explain point score and awards it to parents and athletes.

The point score can be calculated and used for analysis during the season.

If you're into a more complex point score system you can export your results from Club Manager and import them into Excel for manipulation.

A point score report can be generated:

- for all or selected age groups and genders.
- for all or selected event types
- for totals points, for attendance, or place
- for sort by Total Points, PB points, place or name

WEEKLY POINT SCORE REPORT

Point score values, points for attendance, PB and for each place, are set via Administration > Club Manager Settings > Point Score

This report sorted by attendance points

The report can be sorted by clicking on the column heading. The export and print will honour this selection.

Awards And Certificates

Club Manager not only helps you identify the recipients of your awards — it can also **print the certificates** and **produce recipient lists**, making preparation for award night that much easier.

Certificates can be generated for:

- **Season Best Performances** in each age group
- **PB Certificates**
- **Multi-Event Awards**

If you want results available on an existing website the **Results Plug-In** is for you. It provides access via an iFrame on your site to:

- Weekly results
- Athlete Results
- Athlete PBs

If you prefer to keep results on your **existing website**, the **Results Plug-In** is the perfect solution. It provides access via an iFrame on your site to:

- Athlete Results
- Athlete PBs

Both the Results pages on your Club Website and the Plug-In can be configured to be **open to all** or **restricted behind a login**, depending on your club's preferences.

For more details, visit the Club Website information pages at www.wichit.com.au.

Your Club Website can also be used to **capture registrations**, including **online payments**.

Seamless Integrations

GameDay

Integration

Club Manager integrates directly with GameDay, allowing you to download member information with a single click. There's no need to generate reports, download files, or upload data - it's all handled for you.

SprintTimer

Integration

Start lists can be exported from Club Manager and imported into SprintTimer. After your meet, SprintTimer results can be imported back into Club Manager in moments. With one click, results are uploaded and immediately included in your Club Manager data. The process is fast, transparent, and fully logged.

Affordable Pricing

Club Manager is sold on a **per athlete** basis, making it accessible for clubs of all sizes. Pricing covers **initial licensing and setup**.

Club Websites are provided at a **reasonable setup cost**, giving you a fully functional site tailored to your club. A **nominal annual maintenance fee** ensures ongoing support and upgrades.

Visit our website www.wichit.com.au for more on pricing.

Integration In Club Manager

Share Your Registrations and Results On Your Website

A Club Website from WichIT really brings it all together. The benefits of your Club Manager can be rolled out to your wider audience - offering access to results, including PBs, athlete history, season best performances, centre records. **Have a look at the Club Website pages for more information.**

Your Club Website can also be used for newsletter distribution, photo galleries, through to capturing registration information, including payment.

Club Manager is integrated with GameDay with download of GameDay members at the click of a button. No need to run reports, download and upload the member data!

Club Manager is integrated with SprintTimer. Start lists can be export from Club Manager for import to SprintTimer. Results are very easily imported from Sprint Timer into Club Manager. At the click of a button your results are uploaded and included in your Club Manager results. The whole process takes but a moment and is completely transparent with full logging.

Manager is sold on a per athlete basis so all clubs can afford it. Club Manager is priced on a 'per athlete' basis for initial licensing and setup. Club Websites are setup for a reasonable cost. You get a website that works for you. A nominal annual maintenance fee is charged for continued support and upgrades.

Users Of Club Manager

Clubs In Australia and New Zealand Enjoying The Benefits Of Club Manager From WichIT

The following clubs use Club Manager to manage their registrations, results recording, point score and reporting.

Australia

- Balmain Little Athletics
- Gosford Little Athletics
- Newcastle City Little Athletics
- Raymond Terrace Little Athletics
- South Eastern Little Athletics
- Woody Yaloak Athletics
- Young Little Athletics

New Zealand

- Ashburton Athletics Club
- Geraldine Amateur Athletics Club
- Hillsborough Junior Athletics Club
- Karori Amateur Athletics Club
- Mana Amateur Athletics Club
- Pakuranga Athletic Club
- Papamoa Athletic Club
- Papanui ToCH Athletics Club
- Riverhead Amateur Athletic Club
- Takapuna Athletics and Harriers Club
- Te Atatu Athletics Club
- Waitakere Athletics Club

About Club Websites

Let Members See Their Results, PBs, and More - Quickly and Easily

A **Club Website from WichIT** not only provides dynamic access to results but also serves as a powerful communication and management tool for your club.

Key Features

Flexible Content Management

- Add as many information pages as you need with a **user-friendly Content Management System (CMS)**.
- Distribute your **club newsletter via email** directly from the website.
- Access up to **5 email addresses** at your club domain.

Registration and Payments

- Capture registrations online, including payment processing.

Results and Athlete Information

- Provide members with online access to:
 - Results, including PBs
 - Athlete history
 - Season best performances
 - Centre records
- Members can **print tickets**, and age managers can access **restricted information**, such as contact reports, ranking reports, and point scores.
- With a **WichIT Club Manager integration**, results pages are **dynamically loaded** from your database, allowing preliminary results to be visible as they are entered.
- Without Club Manager, you can still have a fully functional website, including links to external results or uploaded PDFs.

Optional Modules

- **Results:** Weekly results for age groups, individual athlete results, PBs, season best performances, and club records.
- **Weekly Programmes:** Display each meeting's events dynamically from your Club Manager database - no need to manually update PDFs.
- **Contact Us:** Simple venue details or a detailed page with key personnel, photos, and contact info.
- **Registrations:** Provide details on fees and your registration process.
- **Alerts and News:** Highlight important items via pop-ups or display news headlines on the home page.

- **Calendar:** Show upcoming events and associated details in a dedicated calendar page.
- **Custom Pages:** Create any number of user-defined pages organized in a category hierarchy you specify.

For a real-world example, see the **Balmain Junior Athletics site**, showcasing the potential of a WichIT-hosted Club Website.

<https://juniors.balmainathletics.au/>

Let Them See Their Results, PBs And More, Very Quickly & Easily with
A Club Website from WichIT

Your Club Website can also have **as many information pages as you need**. A powerful yet very easy to use **Content Management System (CMS)** is provided. You can even use your Club Website for distribution of your **newsletter via email**. Your Club Website also provides access to up to **10 email addresses at your domain**.

Your Club Website can also be used for capturing registration information, including payment.

Let them see their results, PBs and more, very quickly & easily with a Club Website from WichIT

A Club Website from WichIT offers access to results; including PBs, athlete history, season best performances, centre records. Your athletes can print their own tickets and your age managers can access restricted information such as contact reports, ranking reports, and pointscore.

If you use WichIT's Club Manager *, rather than being static PDF files as often used - the result pages on a WichIT Club Website are dynamically loaded from your website database. This means you can even set up the web site to see **preliminary results as they are being entered in Club Manager**.

* If you are not using WichIT's Club Manager but still want a great website you can do that. You just won't have all the benefits of integration for results and dynamic data such as weekly programmes, results, club records and season best performances. You can still have links to external result information or upload PDFs.

Your club website can be set to optionally provide access to a variety of modules:

Results, including weekly results for an age group, individual athlete's results and PBs, season best performances and club records.

GIRLS U07 200 METRES

Season Best: 46:00 sec (KATHY DICKINSON) 2022 Club Record: 34:25 sec (S. HUGHES) 2003

Achievement Levels: 44:00 sec - 46:00 sec - 48:00 sec - 50:00 sec

Rank	Name	Result	PB	Place
1st	WILSON MCCARTHY	46:02 sec	New PB	1st

 27 Jan (21) 46:02 sec 8th
 10 Feb (21) 46:02 sec 7th
 13 Mar (21) 46:02 sec 2nd
 22 Oct (21) 46:02 sec 1st

Weekly Programmes, showing each meeting and the events held on that day. This info comes from the integration with your Club Manager database so no need to key it all into your website or create PDFs.

Contact us page. This page can be as simple or as complex as you want. It can just have your venue address and a contact for the club or have a list of key personnel complete with photos and contact details.

Registrations, giving you the opportunity to disclose fees and your registration process.

Alerts and News, giving you an opportunity to bring important items to the attention of your visitors. When a visitor arrives, an alert can be set to load so it can't be missed. You can also create brief news headlines that will be listed on your home page.

Integration in a Club Website

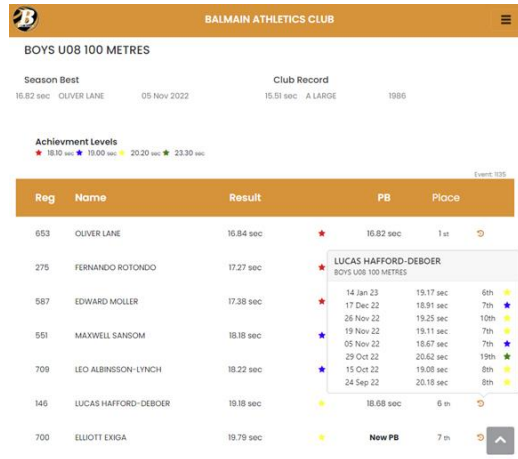

Share Your Registrations and Results with Your Website

A Club Website from WichIT in cohort with **WichIT's Club Manager** * really brings it all together. The benefits of your Club Manager can be rolled out to your wider audience - offering access to results, including PBs, athlete history, season best performances, centre records.

Rather than being static pages or PDF files, if you are also using **Club Manager**, the result pages on a Club Website are dynamically loaded from your website database.

A Club Website offers various levels of access.

- All results with no sign in
- Sign in for all results
- Sign in for access to results for athlete's age group and gender
- Sign in for only athlete's result

The screenshot displays the Balmain Athletics Club website interface for the Boys U08 100 Metres event. The header includes the club logo and name. Below the event title, it shows the Season Best (15.82 sec by Oliver Lane on 05 Nov 2022) and the Club Record (15.51 sec by A. Large in 1986). A table lists the top performers with their registration numbers, names, results, personal bests, and places. A pop-up window for Lucas Hafford-Deboer shows his performance history for this event, including dates, times, and places.

Reg	Name	Result	PB	Place

Communication Made Easy

News Items, Calendars, Newsletters, and Ad-Hoc Mail-Outs

A key strength of a **Club Website** is its ability to communicate effectively with your members, parents, and wider audience. With a WichIT Club Website, you can:

Multiple Communication Channels

- **Content Pages:** Create as many pages as you need to share information.
- **Home Page Lightbox:** Display important messages or updates on the first visit of each user.
- **News Highlights:** Feature important announcements or updates prominently on the home page.

Newsletters and Email Campaigns

- Send newsletters directly to subscribers or email selected groups of athletes and parents.
- Simply save your newsletter as a PDF, upload it to your Club Website, and send it with a single click.

Targeted Email Messaging

- Send ad-hoc emails to specific **age groups** or **genders** quickly and easily.
- Attach files if needed — perfect for sharing forms, results, or other club documents.

With these tools, your Club Website ensures communication is fast, simple, and reaches the right people at the right time.

Content Management in a Club Website

Full Control of Your Club Website

With a **Club Website from WichIT**, the content is **yours to create and manage**. We provide a solid foundation and get you started by importing content from any existing web presence you may have, but you remain in full control of your site.

Standard Pages Provided

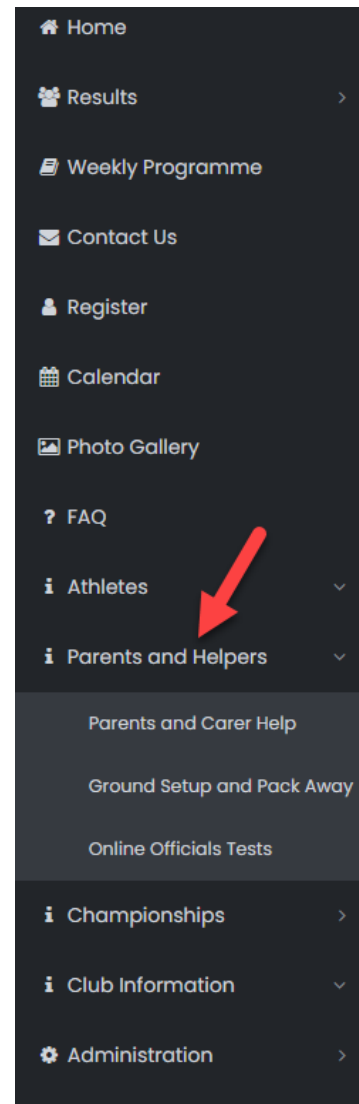

Every Club Website comes with a set of essential pages:

- Results, Club Records, Season Best Performances
- Weekly Programme
- Registrations
- Contact Us
- Calendar
- Photo Gallery

User-Defined Pages

In addition to the standard pages, you can create **as many user-defined pages as required**. These pages can be:

- Presented in your **site menu** in a hierarchical structure
- Grouped for a clean, easy-to-use menu
- Fully controlled in terms of **placement and order**

The **page administration interface** shows all pages by menu location. For example, the “Parent and Helpers” page group allows you to create new pages and edit existing ones within the group.

Parents and Helpers Page Group	Visible to all visitors	New Page In Group			Edit Page Group	Delete Page Group
Parents and Carer Help 	Visible to all visitors	10	20 Sep 19 8:42 am	18 Nov 22 15:03 pm	Edit Page	Delete Page
Ground Setup and Pack Away 	Visible to all visitors	20	23 Oct 21 14:30 pm	22 Oct 22 15:02 pm	Edit Page	Delete Page
Online Officials Tests 	Visible to all visitors	20	13 Sep 16 11:10 am	23 Jul 22 19:59 pm	Edit Page	Delete Page

When creating or editing a page, you can:

- Assign it to a **group** to restructure menus as your content grows
- Change the **page title** as it appears in the menu
- Set the **heading** for the page
- Define **access levels**:
 - Level 0 — accessible to all site visitors
 - Levels 1–9 — restricted to signed-in users

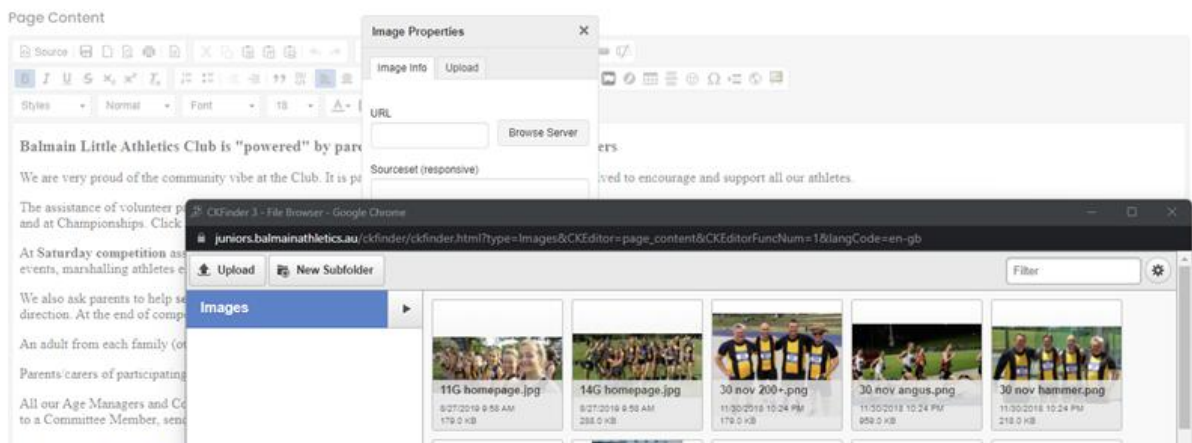

You can create **any number of user accounts** and assign an access level to each. This allows:

- Committee members to access administrative pages
- Age managers to access the information they need
- Protection of sensitive information when club officials change

Easy-to-Use Page Editor

The **WYSIWYG page editor** makes creating rich, professional content simple:

- Format text easily with a familiar editor interface
- Spell check built-in
- Upload and manage images
- Link to **PDFs**, other pages (internal or external)
- Intuitive and beginner-friendly while still powerful enough for advanced users

With this system, your Club Website is **flexible, secure, and fully under your control**, giving your club the tools to communicate effectively while keeping sensitive information protected.

Administration

King George Oval, Manning Street Rozelle (2022-23 Waterfront Drive, Callan Park)

BALMAIN LITTLE ATHLETICS

We acknowledge the Wangal People of the Eora Nation, the traditional owners of the land on which we jump, run, throw and walk, and pay our respects to their Elders past, present and emerging.

Balmain Little Athletics was established in 1972, enabling children aged 4 to 16 to participate in track and field events in a friendly environment where everyone is encouraged to do their best.

Little Athletics is a summer sport. The season usually starts in mid September and ends mid March. This season the Club's Saturday morning competition will take place on the Waterfront Drive Oval within Callan Park, Rozelle (accessed via various entrances off Darling Street), whilst our usual venue of King George Oval is being upgraded. Age groups are limited to **50 athletes**.

Athletes also have the opportunity to compete against other Clubs at events organised under the auspices of Little Athletics NSW including State Cross Country & Racewalks Championships, State Primary Schools Carnival, State Combined Carnival and Zone, Regional and State Championships pathway.

PLATINUM SPONSOR

Conti Strata delivers a personalised and professional service which is customer focused and backed up with our experience and knowledge of the latest strata legislation. We are committed to the smooth management of your strata community. Please contact **Conti Strata** for all your strata management needs.

Support

Help by Messag, Email, or Phone

Support is essential for getting the most out of your software and website. We understand the pressures of running an athletics club - especially on competition day, when event sheets need printing, results must be entered, parents are asking about registrations, and the software isn't behaving.

Club Manager and **Club Websites** are designed to be:

- **As error-free as possible**
- **Responsive**
- **Intuitive**
- **Easy to use**, requiring minimal training

This ensures that in most cases, you won't need to rely on support. But when you do, we're ready to help. You can reach us via:

- The **help request message** utility in Club Manager
- **Email**
- **Phone**

Support is **included** in the Club Manager pricing and in the annual hosting fee for Club Websites.

Support also covers:

- **Training** for users to get the most out of the software
- **Bug fixes** to ensure smooth operation

New functionality can be implemented **on request**:

- **Free of charge (FOC)** if it enhances the product and can benefit other clubs
- Otherwise, development will be **quoted separately**

Pricing

Priced per Athlete

Club Manager is priced on a '**per athlete**' basis for initial subscription and set-up.

An annual maintenance fee is charged for continued support and upgrades.

Should you wish to employ client PCs at your club so that you can have multiple simultaneous data entry points during competition. Each device will need access to the internet. Client PCs require **no software except for a web browser** such as Internet Explorer or Google Chrome. Your client device can be a laptop, desktop or a an iPad or other tablet.

New versions and in version upgrades are provided free of charge.

Please see <https://wichit.com.au/pricing/> current pricing.

Should you wish to proceed with purchase please get in touch via our [contact form](#), or email support@wichit.com.au, or give Michael a call on +61 413 313 460.

Testimonials

RACHAEL KEEREWEER

CLUB CAPTAIN, WAITAKERE CITY ATHLETIC CLUB (NZ)

Michael and the Club Manager team have made a significant improvement to the day-to-day hours required for us to run our club with over 200 members. The system is comprehensive, user friendly, efficient, and up to date with all the relative Athletics point-scoring requirements we need.

One Waitakere City Athletic Club admin facilitator has even called it a 'Game Changer' regarding how much it has lessened their workload. We are early days in terms of our relationship with Club Manager and know that there are so many more capabilities that the system has to offer, but already we know that's improved the quality of our efficiency with results data input and quantifying results - and we couldn't be happier.

TYRON LAGERWALL

PRESIDENT RIVERHEAD AMATEUR ATHLETIC CLUB

Club Manager has been instrumental in helping us as a small Club become more organised. It allows us to plan club night schedules as well as record results for our athletes. Feedback from parents indicates that club nights are much easier to follow the event print outs. We also use club manager to confirm club records and personal best results for each and every athlete.

CHRIS DAY

CHAIRPERSON PAKURANGA ATHLETICS JUNIOR TRACK AND FIELD

Club Manager has made huge improvements in terms of efficiency for Pakuranga Athletics Club saving a huge amount of volunteer hours. This includes functionality such as the setting up for the season's weekly club night programme, the creation and printing of club night recording sheets for each age group, and inputting athletes' results into the software. Club Manager also enables the running of a swag of reports and features that include analyzing athletes results for relay team selections, end of year prize giving for age group and PB awards and managing club records.

Club Manager has also been instrumental in improving athlete and parent engagement by enabling each athlete to see their results from Club night on the Pakuranga website, track their performances over the season and see their personal best performances across all of their events.

FIONA HERBERT

PRESIDENT HILLSBOROUGH JUNIOR ATHLETICS CLUB

Club Manager has been a godsend for us. The ease of use has meant that we are able to build a pool of volunteers entering our data and know that it will be recorded accurately. The wide range of reports we can run has made prize giving super simple, as well as selecting athletes for relay teams - where we are able to look at a ranking report, and then mark athletes as unavailable as well as those selected for the team.

Club night management is super easy, as we can print all the club night sheets for each age group, and the fact that each athlete's PB is showing for each event means that our age managers are able to give instant feedback on whether an athlete has beaten their PB. Club records are also on the event sheets so that age managers can see if a record is broken.

We upgraded our website to be hosted by WicHit, and this enables our athletes to log on and view their PBs throughout the season- they can also see the results for their entire season and measure their progress and see the "season best" result in their grade for an event.

Michael is super responsive to requests and will troubleshoot issues super promptly as they arise.

We are really stoked with Club Manager and highly recommend.

LUCY FINCH, VICE PRESIDENT

WOADY YALLOAK ATHLETICS CLUB, VIC

We implemented Club Manager in 2021, after using a manual spreadsheet and paper system for many years. The process was seamless, and Michael was very patient and accommodating with training.

The process to capture registrations and payments has been very easy to use for all. The printing of event sheets and entering results has saved us so much time and is a simple process to follow - we have been able to involve other parents in the entering of results to spread the load across the team.

Through our two seasons on Club Manager there has been various updates to the system which keep making it better and better and easy to use. Whenever we have a question we always get a fast and helpful response.

Overall this has made a huge improvement for our club from taking registrations and payments, recording results, PBs and records, printing PB certificates at the end of the season, and communicating with our families via the website.

Lucy Finch

Vice President, Woody Yalloak Athletics Club, VIC.

STU FARRANT PRESIDENT GOSFORD LITTLE ATHLETICS

Michael set up our website and Data Input at Gosford Little Athletics in June 2008. Our committee had just gone through a major overhaul and our recording system was archaic.

Michael came up from Sydney and sat down with me for a few hours and explained how the system worked. Michael was a parent of athletes and I could immediately tell that he had used his experience, and probably a little frustration, to develop a system that was easy to use but covered the whole gamut of recording families and athletes details, inputting their results, and on the other side, easy access to the families to see their children's results and improvements,

At the time I had no experience in this area but I found it very easy to understand and for the first couple of seasons was the data input officer. Our current data input officer has now been using the system for about 12 years.

During this time, Michael has updated the website and system to add and improve several things in different areas to make our life a little easier. When at times there were issues, they were always resolved very quickly even the time I contacted him on a family holiday while he was travelling through Western Australia.

As President for the last 17 years, there are always things to think about and sometimes worry about, but I am happy that back in 2008, I made the decision to go with Michael at WichIT. That has been one less thing to worry about.

PHIL WALL

VICE PRESIDENT RAYMOND TERRACE ATHLETICS CENTRE

Hi Michael

I'd like to thank you for your hard work, it has not gone unnoticed. The changes you have made to Club Manager with regards to the export/import of SprintTimer data has made a big difference to my weekly tasks. I really appreciate all that you do for our Club.

Phil Wall

CRISPIN LYNE

PRESIDENT - NEWCASTLE CITY LITTLE ATHLETICS

The Club Manager system developed by Michael at Wichit has been used by Newcastle City Little Athletics Centre for many years with great success.

The functionality is perfectly in-tune with how community athletics clubs operate. Everything is there to be able to run the season programs effectively, keep track of members, club records, personal bests etc.

The printed event sheets work really well, and the data entry screens make it really easy to get the results into the system. The new user interface developed by Michael is really good and easy to use.

Support from Michael is excellent - with replies coming to most queries in a matter of minutes or hours. Every time our state body changes something in the registration system (which is quite often!), Michael wastes no time in making modifications to his system to suit.

Thanks Michael - keep up the good work!
